While Yet There Is Time  
Rasul Rza

The hours slip past;  
our moments melt  
into the eternity behind us;  
Time sweeps us on  
to a destination  
from which there is no return . . .

While yet there is time  
look out upon the world,  
devour it with your eyes,  
and, if your spirit demands more,  
add at least one stone  
to the edifice being built.  
Fill your lungs with the smell of flowers;  
let the first cool breath of dawn  
blow through your hair.

While yet there is time  
let us greet the dawn together;

While yet there is time  
love, and be loved;  
let our thoughts  
throw light in dark places;  
let your lips blossom in a smile.

While yet there is time  
let the hand of a friend  
feel the warmth of your hand . . .

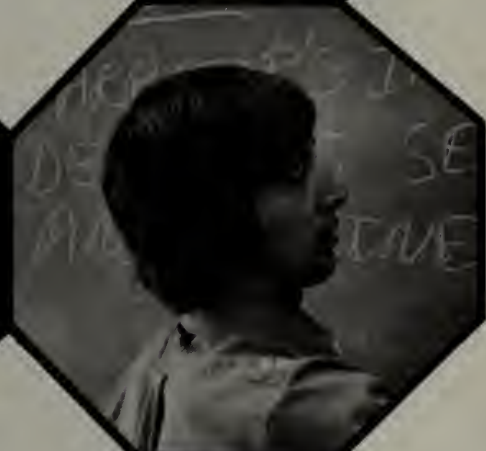

How much we have to do,  
to create, to express!

While yet there is time  
graft a slender bough  
to a mighty tree.  
Do not say, I love everyone  
be merciless to your enemies,  
be tender to your friends.

While yet there is time  
live,  
labor,  
but live and labor  
so that when you are gone  
everyone will see  
that where once you were  
an emptiness yawns . . .

NORWELL PUBLIC SCHOOLS  
NORWELL HIGH SCHOOL

NORWELL, MASSACHUSETTS 02061

Office of the Principal

A new building designed with many innovations and sophisticated equipment can provide an excellent setting for positive social and educational experiences. However, more important than an excellent facility is a sincere, dedicated, and competent staff. Although we have a magnificent building and an excellent staff, the keystone of learning must be laid by the character, personal motivation and commitment of each individual student of Norwell High School.

Back row — Marion Scheller, Peggy Cotter, Tricia Watson, Liz Sack, Debi Valluzzi, Cheryl Grindell, Joan Wales, Lynn Mattie, Kathy Spang, Sandy Hathorne.

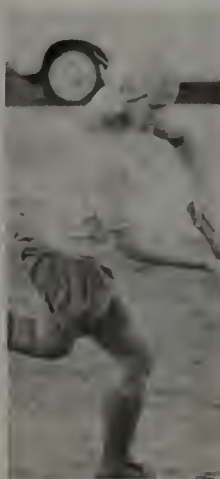

Our Varsity Field Hockey team didn't have the best of seasons this year (3 wins, 8 losses, 5 ties). However, it did turn out to be a very productive season. They sent nine girls to field hockey camp, learned many new skills and gained valuable game experience. This year of learning will prove most useful to the many Juniors who will be returning next year. Norwell High should look forward to having an excellent Field Hockey team in the future.

The Junior Varsity team (10 wins 1 loss, 5 ties) is to be congratulated on being the top Junior Varsity team in the league. The Varsity is looking forward to having members of the Jay Vee's moving up next year to take the places of the eight departing Seniors. One more thing must be said about our Field Hockey team, they were definitely one of the most spirited teams in the league!

Junior Varsity, Front row — Kim Hosford, Susan Dickman, Katie Sheehan, Cheryl Meshau, Janet Mahairas, Elizabeth Sandoval, Jennifer McAloon, Jennifer Reed, Susan Hathorne, Aina Kujawski, Mary Davidson, Sherri Smith, Jennifer Hills, Beth Drudi.

Coach Brooks Holmes

For first year coach Brooks Holmes and the Clippers football team, 1973 was a successful year. Although their overall record was 5-4, their league record was 5-2 and 3 of their 9 games were lost by 1 touchdown or less. Some outstanding performances were turned in by seniors Chris Leavitt, Mike Hosford, Mark Cluff, Pete Vallier, Jim Paylor and Chuck Earley. Coach Holmes is looking forward to a good season next year with a strong front line consisting of many underclassmen and returning quarterback Pat Kiley.

## OBJECT OF THE GAME

The first player to go around the board forty-four full times without being suspended or expelled, wins and receives a fancy piece of paper saying he played the game.

## RULES OF THE GAME

1. One to One Thousand can play.
2. Each player must draw a card from the Guidance "pile" stating that he or she is ready to play before he or she can start to play.
3. At the end of each trip around the board, players must pass a series of tests that demonstrate her (or his) capability of continuing.

If failure occurs, an extra trip around the board.

**VARSITY**, Front row — Joan Wales, Lois "Terry" Malaney, Mary "Dibbs" McDonough, The Bunny, Marla Melsky, Anita Honkonen, Patty Pineo.  
Back row — Patty Dubanoski, Sandy Spaulding, Helen McGuire, Carol Lundin, Tricia Watson, Mr. Bruce Emerson (Coach).  
Missing — Carol Ballerini.

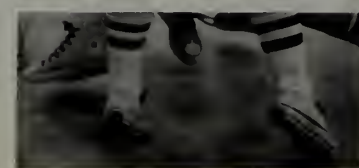

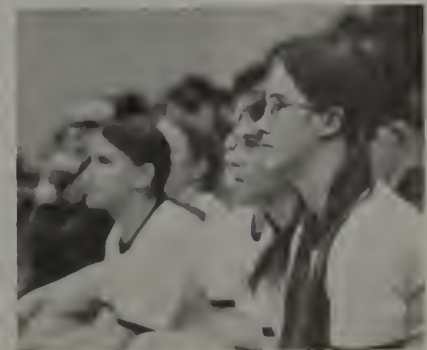

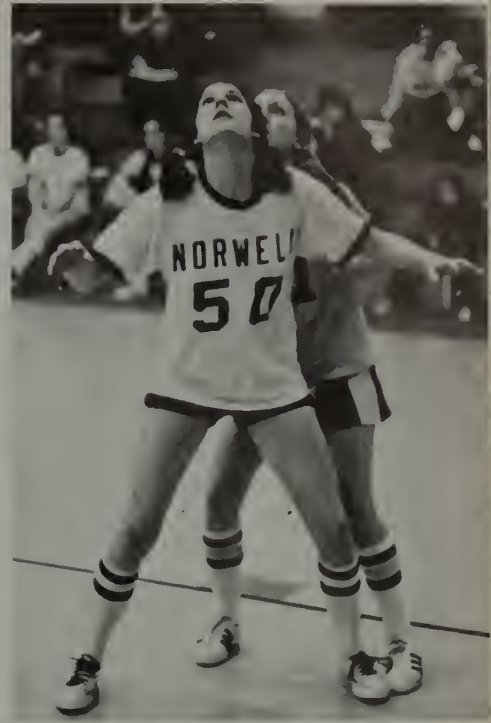

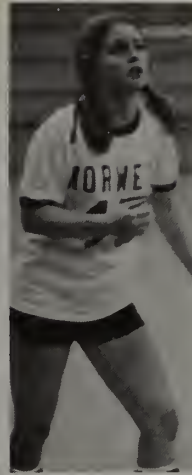

**JUNIOR VARSITY**, Front row — Maureen Rice, Helen Alward, Aina Kujawski, Michele Kemp, Dawne Edlund, Lynn Yanarella.  
Back row — Monica Stevens, Janet Delaney, Janet Crispin, Elizabeth Sandoval, Jennifer McAloon, Miss Cynthia Ciani (Coach).

The Girl's Varsity pulled themselves from the bottom of the standings last year, to a very respectable third place in the South Shore League this year. Their record was 6 wins and 8 losses. Norwell became only the second team in the league to have a male head coach. Mr. Emerson pushed the girls hard, emphasizing speed, rebounding and team play. He earned the respect and the loyalty of all the girls.

The team's biggest asset this year was their depth. Mr. Emerson was able to put any of the girls into a game without lowering the quality of the team's play. This depth resulted from the previous varsity experience of eight girls. The remaining four girls came to the varsity with an abundance of talent and blended in very well with the veterans.

The Junior Varsity team had a very successful season this year. They finished with a record of 8 wins and 6 losses. This record is even more impressive when the fact is considered that this was probably the youngest squad in the league, being made up entirely of freshmen.

# A rational alternative to rationing gas.

What's right with this picture? Well if it were true, we'd be saving 28 billion, 560 million gallons of gas every year.

How did we arrive at that figure? Since we're a nation of national averages, we know the average car uses about 735 gallons of gas a year. The Beetle, 399\*. Turn the eighty-five million average cars on the road right now into Beetles, and it works

out to a saving of 28,560,000,000 (give or take a few gallons).

Now we haven't figured out all the water and antifreeze that would be saved with the Beetle's air-cooled engine.

Nor can we compute the extra parking space that would be around.

Not to mention all the money people would be able to save in a world of Volkswagens.

But we know for sure that this is no pipe dream. There already are police car Beetles up in Ossining. And a custom built, chauffeur-driven Bug in L. A. And Volkswagen taxis all over Honduras. And a Beetle that herds cattle in Missouri.

So with gas prices going up and rationing becoming a reality, the Beetle never looked so good. In fact, you might almost call it beautiful.
